Our annual auction is being at risk due to the Coronavirus outbreak. Our tuition payments do not cover all of the basic school expenses and we count on the funds our auction raises to be able to function. We are planning on having a virtual event if needed, but we are still in need of donations for our silent auction and sponsorships to cover the auction expenses (bidding platform, space, food & beverage, auctioneer, DJ, extra entertainment, decoration, supplies, etc.)

All donations, sponsorships, and ticket purchases are tax-deductible and benefit our students 100%. Sponsorship packages offer different levels of exposure in our community (church, school, and childcare – approximately 4,000 families).

**What are you doing to be sure your location and volunteer areas are safe?**

The school is currently closed. Our cleaning company is spraying/sanitizing on weekly basis to make sure all areas are clean for when our students return. We are following CDC, Texas State Laws, and Diocese of Fort Worth Regulations to keep our faculty, staff, and families safe. We are praying and counting on still having our auction on May 2<sup>nd</sup>, but it will be moved as a virtual event if needed. Therefore, we are still in need of donations and sponsorships.

**Please provide any further information with regard to needs or volunteer efforts:** We are not in need of volunteers at this time.

*\*New\** pants (sweatpants, lightweight, scrubs) sizes S-XL for sexual assault patients whose clothes were seized as evidence after their rape exam.

Please provide any website/url links or other contact information where people can get more information or sign-up to help: Anyone can email me directly at [abyerly@womenscentertc.org](mailto:abyerly@womenscentertc.org) if they would like to help. Our office is currently closed and the anticipated reopening is Monday, April 6th.

**What are you doing to be sure your location and volunteer areas are safe?**

We have closed our building and all staff is working remotely from home. All staff and volunteers have also stopped providing accompaniments for sexual assault patients at area hospitals, instead offering phone services to clients in need.

**Please provide any further information with regard to needs or volunteer efforts:**

New pant donations are difficult to keep stocked and unfortunately, there are still sexual assault victims who need exams at this time. Any help with these needed supplies would be very appreciated!

### **What is your current non-profit need?**

Right now, we have modified our normal transportation operations to include grocery shopping for our senior Clients or grocery or prescription pick-up. Available Volunteers either receive a list from a Client along with payment or they are directed to a store to pick-up and deliver pre-ordered supplies to a Client. This is something new for Mid-Cities and something we may continue even after the crisis passes. We still have Clients that want to be driven to the grocery store or to a medical appointment because this is the only time they get out of the house.

Mid-Cities also provides services that connects Volunteers with Clients over the phone. A simple but very effective way to crack the isolation and loneliness that many seniors feel today. The Volunteer may also choose to send a card or letter to the Client. We have received the most positive feedback from our Clients that have received cards in the mail. These small gestures can make a Client's day and raise their spirits.

### **Please provide any further information:**

Mid-Cities Care Corps is a non-profit organization established in 1981 with a mission "to preserve the independence of senior neighbors in Northeast Tarrant County". Services are provided to seniors 65 and older or 60 plus with a disability, in the 11 communities we serve. Services include:

Helping Hands Outreach - Assisting seniors with minor home repairs and seasonal lawn care

Home Safety Inspections (S4S) - annual home inspections

Minor Home Repairs - minor interior/exterior carpentry, electrical and plumbing repairs

Stability Equipment Installation - grab bars, wheelchair ramps

Adopt-A-Lawn - mow a lawn through the growing season

Certified Tech - professional partners for projects beyond volunteer capability

Group Service Days - church, student or company groups perform seasonal yard cleanup or minor exterior work (painting)

Transportation Outreach – A volunteer, using their own vehicle, transports a senior to a routine medical appointment or on a quality of life drive, then returns them to their home

Routine medical drive – A routine medical appointment usually runs 1 to 2 hours, such as a check-up, eye appt., dental appt., or specialist appt. The volunteer will pick them up, stay the duration, and return them home

Quality of life drive – Takin a senior to the grocery store, a pharmacy, bank, a beauty salon/barber shop, etc.

Grocery shopping –Aid seniors who are homebound during this COVID-19 pandemic. This includes trips to the grocery store as well to the food banks in the area

Social Outreach – Outreach efforts to crack senior isolation

Visiting Friends – Volunteer shares quality time with seniors visiting, taking to lunch, calling, or another activity if they choose once or twice a month in their home (Suspended due to Coronavirus)

Phone Friends – Seniors connect with one another by phone from the comfort of their home

Senior Socials – 3rd Tuesday of the month senior social with theme, games, light treats, at St. Philip Presbyterian (Suspended due to Coronavirus)

Holiday Outreach – Groups and/or individuals donate and deliver food baskets and/or gifts for the young at heart clients who otherwise might not experience the spirit of the season
